

Adeline-Julie Bee

Hello!

I'm Adeline-Julie Bee

I'm an artist, teacher and nature enthusiast, specialising in watercolour. Drawing on the enchanting palette of the Belgian Ardennes, I search for ingredients for my inks and watercolours.

The profound beauty of nature fuels my art, expressing the admiration and wonder I have for it through my homemade colours and paintings. I translate my watercolours into captivating surface designs, creating unique patterns.

Twigs

Nature Reveries

Ferns & Foliage

Heavenly Blossoms

Heavenly Blossoms

Java

Java blue

Java Twigs

Sunset Petals

Sumatra

Sumatra Indigo

Java Twigs in Cream

Seraphic Rose

Beneath the Rose Canopy

Sun-Kissed Roses

Sunrise Petals

Mystic Berries

Thank you for your time!
